

Financial Arrangements

We realize that every person's financial situation is different. For this reason we have worked hard to provide a variety of payment options.

Dental Insurance:

We are happy to file necessary forms to see that you receive the full benefits for your coverage; however, we make no guarantee of any estimated coverage. Because the insurance policy is an agreement between you and the insurance company, we ask that all patients be responsible directly for all charges. Please know that we will do everything possible to see that you receive full benefits of your policy. If for some reason your insurance has not paid their portion within 60 days from the date of service you are responsible for payment at that time. A monthly charge of 1% per month (12% per year) may be added on all accounts not paid within 60 days.

Payment Options:

Cash or check: The estimated portion of treatment not covered by insurance is due at time of service. We offer a 5% senior discount for all patients 65 years and older.

Credit cards: We gladly accept payment by Visa or MasterCard

Returned checks: There will be a \$35.00 charge on all returned checks.

No Show Appt.: There will be a \$75.00 charge per hour on all missed appointments.

Late Cancel/Reschedule Appt.: There will be a \$75.00 per hour charge on all late cancellations and reschedules. We require **at-least 48 business hours** notice for this fee to be waived. This means you must let us know 2 business days prior to your appointment, if you cancel on a day we are closed the fee will be applied, this applies to closed Holidays too.

Our goal with each of our patients good is to help them enjoy the benefits of good oral health. With proper care, you may be able to have strong teeth and gums, a healthy and attractive smile, and keep your own natural teeth all your life.
